COMMENTS:

This bill would make changes to the California Public Records Act, including by providing for public inspection and copying of public records within specified time periods. This bill would provide that an agency withholding disclosure of a record shall provide the reason in writing.

The July 16, 1998, amendment made minor changes to the list of records that would be exempt from disclosure. The department's analysis of SB 143 as amended June 24, 1998, still applies.
